**END USER CERTIFICATE**

This is to certify that M/s Mermaid Solutions (Pvt) Ltd has successfully carried out the following engineering works for Nisol Diamonds (Pvt) Ltd to our satisfaction :-

**(A) PROJECT 1:**

Perkins 3012TAG Diesel Engine – Complete Overhaul & Exhaust System Modification

- Engine Manufacturer: Perkins – United Kingdom
- Engine Model: 3012TAG
- Application: Standby / Prime Power Generator

**Scope of Work:**

- Complete mechanical overhaul of the engine
- Replacement of critical wear components using genuine OEM spare parts
- Fuel system inspection, calibration and tuning
- Cooling system inspection and refurbishment
- Electrical and control system verification
- Fabrication, modification and thermal insulation of exhaust piping system
- Load testing, commissioning and performance verification

**Operational Performance:**

- Following completion of the overhaul and exhaust modifications, the engine has been operating smoothly, efficiently and reliably without abnormal vibration, overheating or performance deviations.

**(B) PROJECT 2:**

Ashok Leyland 80 kVA Diesel Generator – Overhaul, Electrical Control Actuator Installation & Canopy Repair

- Generator Manufacturer: Ashok Leyland
- Generator Capacity: 80 kVA
- Application: Standby Power Generation
- Project Period: 2023 – 2024

**Scope of Work:**

- Complete mechanical overhaul of the generator engine
- Replacement of critical components using genuine OEM parts
- Electrical control actuator supply and installation
- Control wiring verification and functional testing
- Canopy structural repair, corrosion treatment and repainting
- Noise insulation restoration
- Load testing, commissioning and performance verification

**Operational Performance:**

- Following completion of the above works, the generator has been operating reliably and efficiently without operational failures or abnormal performance deviations.

**(C) GENERAL CONFIRMATION:**

All spare parts and materials supplied by Mermaid Solutions (Pvt) Ltd were genuine OEM or approved equivalent components and installed in accordance with manufacturer specifications and accepted engineering standards. The workmanship, safety compliance, documentation and overall project execution were satisfactory.

This End User Certificate is issued at the request of M/s Mermaid Solutions (Pvt) Ltd for official reference, tender submission and business verification purposes.

**For and on behalf of Nisol Diamonds (Pvt) Ltd,**

Authorized Signatory:

Name: Chantal De Zoysa

Designation: Executive Director

Date: 28<sup>th</sup> January 2026
